BOOKING PROCESS FOR THE 3-BAY CRICKET TRAINING FACILITY AT EERIKKILÄ FOR CF MEMBER CLUBS

BACKGROUND: CF & Eerikkilä Sports Resort (the national training centre for football and floorball) have signed a long-term development contract aimed at furthering all aspects of cricket development in Finland, from grassroots juniors, men & women all the way to high-performance national team representative level. We have invested together in Finland's first ever cricket-specific 3-bay training facility, constructed by professionals from our partner Durant Cricket and following key training area guidelines to ECB standards. We also intend to store the CF Bola bowling machine there over the winter, mainly for regular National Bears usage, but also when agreed in advance for club usage.

The next step on this pathway is to communicate to CF member clubs on how to use the facility, which is the main purpose of this document. See below a few links in English about Eerikkilä and the cricket nets:
