3. Facilities

Toilets and the office of the ground staff are located in the maintenance building next to the ground.

The dressing room is located in the gray container next to the south corner of the ground.

Dressing rooms can be used for storing kit bags or other equipment during the match, but storage is at your own risk, as the container remains unlocked.

Parking is allowed only on the parking lots.

4. Ground preparation

Ask the ground staff in the main building to

- give you the radios from the charger in the office (radios are marked with CF)
- open the storage container and the dressing room in the south corner of the ground
- open the electricity distribution box next to the dressing room container

The equipment shall only be used for league matches sanctioned by Cricket Finland.

5. Field preparation

Draw the boundary, radius 60m from the centre point of the pitch, with chalk,

or,

check that the boundary rope is 60m from the centre of the pitch.

Draw the fielding restriction area, as described in section 28.7.2 of the Playing Conditions, with chalk.

Extend the popping creases with chalk by at least 2m on both sides.

4. Pitch preparation

Sweep the pitch with brushes available in the container.

6. Field-specific Playing Conditions

Only coloured chalk is permitted to be used for marking stump positions when taking guard. Using permanent markers or anything else will be considered damaging the pitch (section 41.14 of the PCs) and wilful mistreatment of the cricket ground (section 42.2.1) and penalized accordingly.

The use of metal spikes or studs in shoes is forbidden. It will be considered damaging the pitch (section 41.14 of the PCs) and wilful mistreatment of the cricket ground (section 42.2.1) and penalized accordingly.

7. Post-match duties

The captain of the home team is responsible for

- cleaning and storing the stumps, the bails, the scoreboard, the brushes, the tape measure, and the chalk marking equipment in the storage container
- asking the ground staff to lock the storage container, the dressing room container, and the electricity distribution box
- taking the radios to the ground staff office, placing them in the charger and ensuring that the charging animation (denoting charging in progress) is lit for both radios
- notifying the LSC immediately after the match if any equipment malfunctioned or was broken during the match

- making sure no trash is left on the ground

8. Smoking

Smoking is not allowed inside the fenced area of the ground.

All cigarette butts must be properly extinguished and then placed in trashcans.

9. Fines for non-compliance

If these instructions are not complied with, the home team shall be levied a fine of 100 euros per infraction.
